

Showing Referee Info On Team Schedule @ OTHSL

It is the responsibility of the HOSTING TEAM to ensure that all related parties are notified in a timely manner in the case of cancellation (see rule 9C in the OTHSL Rules of Play). Below, you will find instructions on how to easily get referee contact information for your game.

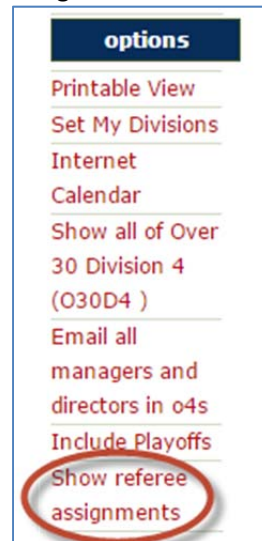

Navigate to www.othsl.org and make sure you are logged in. If you see this at the OTHSL home screen you ARE NOT logged in:

After ensuring you are logged in (or logging in):

1. Get your team page / schedule page up. If you are logged in, there should be a 'quick link' in the top right of the page.

2. On the right hand side (same side as the Quick links above) in RED LETTERS, select the last item under "options": "Show Referee Assignments"

3. Referee info currently loaded by the referee assignor will now appear to the right of each game in your schedule:
